Call For Forums

We are pleased to invite proposals for forums to be held at IROS 2024. Forums offer a platform for practitioners and researchers to delve deeper into pertinent topics within the conference scope, fostering meaningful interactions and insights.

Forum Proposal Submission Guidelines:

•Proposals must be submitted in PDF format through PaperPlaza, utilizing the provided template. Submissions are limited to 20 pages.

•Organizers are encouraged to design programs tailored for in-person participation, considering logistical requirements such as space needs and maximum poster capacity.

•Diversity of thought and background among forum participants is strongly encouraged.

Evaluation criteria of the Forum proposals:

•**Relevance**: The significance and alignment of proposed topics with the conference scope.

•**Engagement**: The effectiveness of plans to facilitate active participation and interaction among attendees.

•**Inclusivity**: Consideration of inclusivity in accommodating individuals with diverse backgrounds and expertise.

•**Organizer Diversity**: The diversity and experience of forum organizers.

Note: Upon acceptance, the organizers will be required to provide a final abstract and a dedicated website for their Forum.
