iROS

The 2024 IEEE/RSJ International Conference on Intelligent Robots and Systems (IROS 2024) will be held on 14-18 October 2024 at ADNEC, Abu Dhabi, UAE

Call For Late Breaking Results

IROS 2024 invites the robotics community to submit their latest, yet-to-be-published findings to our Late Breaking Results session. This platform not only allows unique opportunity to share pioneering research but also facilitates invaluable peer feedback, enhancing the scope for future formal publications.

Please submit proposals via the customary **Paper Plaza** process.

Poster Guidelines :

- Poster Guideline.

- Language : English.

- Size : A0 dimensions (841mm wide × 1189mm high).

- File format: PDF (Please limit the size of the PDF file to 2 MB).

- Paper format (if accepted): Content printed by author on A0 paper/cloth for presentation in the Poster Session

- Poster format: the format is at the author's discretion to best represent their research.

A specific area during the poster session will be allocated for each submission. Presenters must register for the conference to participate in the session.

Please note, while these findings will be accessible to attendees, they will not undergo a formal peer-review process and will not be included as official publications in IEEE Xplore.
