WIDE RANGING APPLICATIONS

Manufacturing (45%), healthcare (37%), logistics (28%), agriculture (21%), defense (18%), security (10%), mining (9%) represent the largest application interests.

How to get involved

There are a variety of ways to partner at IROS 2024 - either as a sponsor, exhibitor or both, as detailed in this prospectus.

It is worth noting that our packages are designed to extend your brand messaging beyond the physical event into the realm of our considerable virtual audience.

We would also welcome your suggestions as to any alternative ways in which you might wish to support the event.
