AbuDhabi 2024
iROS

The 2024 IEEE/RSJ International Conference on Intelligent Robots and Systems (IROS 2024) will be held on 14-18 October 2024 at ADNEC, Abu Dhabi, UAE

Call For Competitions

The IROS 2024 Organizing Committee invites proposals for competitions to be held during IROS in Abu Dhabi in October 2024. The competitions provide a unique venue for state-of-the-art technical demonstrations from research labs throughout academia and industry. Conference attendees and media representatives will have the opportunity to experience live demonstrations of robotic technology and an alternative display of research.

Please submit proposals via the customary **Paper Plaza** process.

Proposals must contain :

- A brief description of the competition, including what particular task is under evaluation and why the competition is of interest to the IROS community.

- A draft of the rules and assessment. Number of competition days and planned time schedule.

- A list of possible participant teams, including an estimate of the total number of participants.

- Awards planning, estimated budget and funding source (if any) supporting the competition

- Request for the Organizing Committee for facilities including required space (area in square meters and minimum height) along with power, networking, furniture, audiovisual media, and other requirements.

- Safety considerations.

- History of the competition, if applicable.

- Names, contact information, and brief CVs of the competition organizers, describing experience in organizing previous competitions, workshops, etc.
